

Class Schedule Term 3 - 2010

Weekly Classes

Class Description and Times:

Drum Effect's weekly classes provide tuition of traditional rhythms from West Africa on the djembe and dundun drums and are delivered in 10-week courses. Class teacher, Kate Gascoyne, is a qualified teacher and performs regularly in Canberra with the group 'Drumassault'. Kate has studied and performed with master West African drummers and undertook an intensive drumming and dance course in Ghana.

Drum Effect runs three classes at two locations. Beginners are welcome to join either the 8pm Tuesday night class or the 6.15pm Wednesday night class. In all classes students will learn the calls, djembe and dundun parts, and breaks of traditional West African rhythms.
